11<sup>th</sup> – 17<sup>th</sup> APRIL 2022

## Twisted Wheel Brewing Co.

### Interstellar Overdrive

## Boundary Brewing

### Well Rounded Expert

#### 10.6% Belgian Quad

This Belgian Quad has big flavour from the start and takes you back to magical trips to Belgium in which the seeds of Boundary were originally sown - bicycles, pommes frites, Leuven's Grote Markt.

## Bullhouse Brew Co.

### Doublethink

#### 7.5% DIPA

A big ol' juicy banger of a DIPA, fermented on their house blend. Fermented low and slow to reduce ester formation but maintain a thick and creamy body we all love.

## Elusive Brewing

### Del Perro

#### 5.2% Brown Ale

Collab with Iron Pier Beer. A classically styled American Brown with a complex malt bill bringing notes of brown toast and biscuit while Amarillo and Centennial hops add flavours of orange, grapefruit and pine.

## Elusive Brewing

### Turn Out The Light

#### 5% New England Pale

This soft and juicy Pale Ale was brewed in the New England style with plenty of oats and wheat. Citra, Galaxy and Vic Secret bring notes of peach and passionfruit. Properly tasty and very swiggable.

## Drop Project Brew Co.

### Railed

#### 6% NEIPA

A pinch of Sabro in the boil to give it sticky pineapple and tangerine notes. Paired with the heavenly tooting fruity Ekuanot, Azacca for the mango vibes and Citra for the all-important stone fruits and passionfruit.

## Brew York

### Tea

#### 6% Milkshake IPA

Collab with Full Circle Brew Co. 'Strawberry cream' fruit tea leaves from local Hebden Tea were used for a fruity composition with intense strawberry flavours, soft, creamy notes and subtle tea tannins. Additional lactose adds body and accentuates the berry flavours for a comforting fruit tea infusion.

### **Brew York**

#### **Coffee**

#### **10% Imperial Coffee Stout**

Collab with Siren Craft Brew. This latte stout is packed with chocolate, vanilla and maple for a decadent and indulgent start to the day.

### **Brew York**

### **Alpha Delta Brewing**

#### **Signal Fire**

#### **4.7% Session IPA**

Collab with band Devil Sold His Soul. Fresh, fruity bursting with juicy citrus fruits and it's super sessionable. At first you get a massive juice explosion (think Um Bongo on a sunny day) followed by a slight crisp bitterness that soon dissipates leaving you craving more.

### **Alpha Delta Brewing**

#### **Delphi**

#### **6% DDH IPA**

Pulling together a classic hop combo of Citra, Galaxy and Mosaic. It starts off with a delicate aroma of lemon meringue followed by a pillowy cushion of grapefruit and a soft underlying boozy hit.

### **Alpha Delta Brewing**

#### **Harpy**

#### **6% 60 Minute IPA**

Collab with Sommar Brewery. Continuously hopped during the course of a 60-minute boil with a barrage of Cascade and Columbus hops to provide a super hoppy Old School vibe flavour then Amarillo and Centennial to round off with a slight fruit hit and bitterness. Fresh pine and grassy tones on the nose with a silky backbone to carry the bitterness to the front stage.

### **Dig Brew Co.**

#### **Optimo 2022**

#### **5.2% Pale Ale**

Hopped with Azacca, Mosaic and Cashmere. Expect haze and layered flavours from soft juicy stone fruits through to more earthy tones in the background.

### **Left Handed Giant**

#### **Early To The Party**

#### **5.3% Fruited Gose**

The juicy tang of Passionfruit and Apricot nectar paired with a silken, viscous body and lightly salty, delicately drying finish.

**Polly's Brew Co.**

**Red Odyssey**

**11% Triple Cherry Gose**

Red Odyssey features a staggering 75kg of sour cherries, with a further 50kg of sweet cherries, as well as 2kg of Halen Mon Sea Salt, sourced a stone's throw away from the brewery, to create a triple cherry gose positively bursting at the seams with flavour.

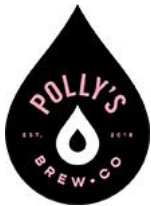

**Polly's Brew Co.**

**Pink Boots**

**6.2% IPA**

A beer that fully plays to Polly's strengths, using the new Pink Boots hop blend from Yakima Chief. Expect blackberry, raspberry and cherry notes, backed up by bright orange and peach, before finishing with a pithy citrus bitterness.

**Polly's Brew Co.**

**Mind The Glow**

**5.5% Grape, Rhubarb & Kiwi Beer**

Not quite a sour, not quite full-on fruited silliness, Employing a gentle amount of souring to offset the sweetness of the kiwi, grape and stewed rhubarb introduced midway through fermentation, the result is a beer perfect for kicking back in the sun, supping with pals and sharing good times.

**BOXCAR**

**Boxcar Brewery**

**No Thing**

**6% IPA**

Goldings in the whirlpool, giving a noble, spicy backbone, after which a wave of sweet strawberry, blueberry and passionfruit flood your taste receptors — fruits provided by a large dry hop of Strata and Mosaic.

**BOXCAR**

**Boxcar Brewery**

**Galaxy Meditations**

**8% DIPA**

Galaxy. Complex is a two-mile short understatement to describe this hop. Instant diesel confusion, followed by Michelin Star truffle-stank, finished up with creamy-juicy passionfruit juice.

Working with breweries to strengthen their brand through packaging

# BREWERS CORNER

Let's start this week with the latest data from Lumina Intelligence's Eating & Drinking Out Panel, which revealed average spend has reduced 9% in the 12 weeks to 20th March 2022.

<https://www.morningadvertiser.co.uk/Article/2022/04/12/average-spend-in-pubs-to-march-2022>

Sadly, this is likely to be a continuing trend throughout 2022 and beyond, as inflation really starts to bite and consumers cut back on discretionary spending.

Just to prove that we don't only post stories that we agree with, here is an interesting blog proposing that we shouldn't always be seeking the next new beer.

<https://thefullpint.com/editorial/suggestion-stop-drinking-new-beers-all-the-time/>

The Pub Curmudgeon points out that increasingly the large regional UK beers are cropping up on keg in addition to/instead of on cask.

<https://pubcurmudgeon.blogspot.com>

We can't blame the brewers for following the market trends, but this is definitely further bad news for the long-term viability of cask.

Finally, New School Beer has a nice article about Nectaron, the latest powerhouse hop to emerge from the vibrant New Zealand scene.

<https://newschoolbeer.com/home/2022/4/nectaron-hops-poised-to-be-the-next>

# TAPROOM REVIEW

Town Mouse Ale House, Basement, 11 St Mary's Place, Newcastle Upon Tyne, NE1 7PG

The Town Mouse is to be found on St Mary's Place between The 5 Swans Wetherspoons pub and 'Get Stuffed', and is a 3 minute's walk from both Haymarket and Newcastle City Hall. When we visited, Google maps told us we had arrived at the location but we thought we were going mad as we couldn't see it. What we hadn't realised was the bar is subterranean, and when we finally looked towards the ground, there it was in all its glory.

The Town Mouse is perfectly named as it is small, cosy and perfectly formed. A few steps down from the pavement and you enter an Aladdin's Cave of Craft Beer. 6 cask pumps and 8 keg taps greet you together with a well stocked beer fridge, and a friendly welcome from the knowledgeable staff.

The premises has seating for perhaps 20 people plus a couple of tables and seating at street level. It's snug and full of atmosphere. Walk-ins are welcome but you can also reserve tables in advance which is probably a good idea considering its size.

During our visit we worked our way through the keg list which included beers from Neon Raptor, Brass Castle, Deya, Newbarnes and Vault City. The cask beers are impeccably kept too and the bar has won Newcastle's CAMRA Pub of the Year on 3 separate occasions. The cask options were beers from Wylam, Bone Machine, Mad Squirrel, Deya and Elusive Brewing. None of your common and easy to get beers here.

Tap takeovers are common at The Town Mouse and we were disappointed that we were going to miss a Cloudwater Takeover scheduled a couple of weeks hence, including a visit of Cloudwater's owner himself Paul Jones. The Town Mouse certainly keeps great company.

The Town Mouse is open every day from 2pm until late and from noon on Friday and at weekends.

Overall this was a fantastic Craft Beer experience and we stayed here much longer than anticipated, enjoying the great company of the owner and bar staff. Newcastle is blessed with some great breweries and taprooms, but if you find yourself in this delightful city make sure you don't miss this little gem.

## PATREON

Discover the benefits of membership

When we launched This Week in Craft Beer in January 2020, we were blissfully unaware of what lay ahead of us! Considering the obstacles, we have all faced, we are proud of what we managed to accomplish in our first year.

However, we have lots more that we want to do in 2022! In order to fund these activities and to enable our Community to get more involved with the creative process at TWICB, we have launched a Patreon Membership Programme.

Full details of how you can get involved starting at less than the cost of a half-decent can of beer per month, can be found at [patreon.com/thisweekincraftbeer](https://patreon.com/thisweekincraftbeer).

Don't worry, our weekly Newsletter and Podcast will continue to be FREE FOR EVERYONE! The Patreon Membership offers access to range of brand new TWICB Products and Services. Please check it out and let us know what you think?!

[www.thisweekincraft.beer/patreon](https://www.thisweekincraft.beer/patreon)

### **Q. Why are you starting to charge for things that we have enjoyed for free all this year?**

A. We aren't! The weekly Newsletter and weekly Brewer-interview Podcast will continue to be **free to everyone**. Patreon will enable us to offer brand-new additional products and services to Members.

### **Q. What's this about Members getting involved with TWICB?**

A. We have been amazed and delighted with the amount of engagement and feedback we have received during our first year, via social media, email etc. The UK Craft Beer Community is clearly engaged, knowledgeable and sociable! We want to provide a mechanism for bringing the community into our creative process, allowing people to participate in the planning, research, production and delivery of our products.

### **Q. Why do you have to charge for things?**

A. TWICB is run by just two people: Rob and Steve. Whilst it is undoubtedly a labour of love, it has developed into something that consumes a significant part of our working weeks. Steve works mainly on the Newsletter, where the New Beers Section alone takes many hours per week, to research, collate and format. Rob works mainly on the podcast, where each episode takes several hours to schedule, research, record, edit and promote. Whilst we will continue to invest this time to produce the free products, we think Patreon could be a great way of funding the time and effort that we want to devote to developing new products and services.

### **Q. Apart from your time, what specifically will the Patreon proceeds be used to fund?**

A. As soon as the COVID-19 situation permits, we want to take the podcast on the road, to record Brewer interviews at their own Taprooms, as well as record live segments at Festivals, Tap-Takeovers and other beery events of note. In order to provide a quality finished audio product, we will need to invest in some decent mobile recording equipment, not to mention the cost of travelling the length and breadth of Britain in the pursuit of great interviews!

### **Q. What is the thought process behind the bundles of Patreon Membership bonuses that you are offering?**

A. We have tried to come up with bundles that combine some community benefits, exclusive digital products, exclusive physical products, invites to exclusive TWICB events, discounts on TWICB Grand Tours and opportunities to participate in the TWICB creative process. We have tried to price each Membership Level so that each offers outstanding value for money. We have also tried to be mindful of the number of Patreon members that we can realistically include in each bonus activity. (Clearly the invite to participate in the podcast interview or attend the TWICB "Board Meeting" needs to be strictly limited in numbers, or else the bonus would cease to be "exclusive" and would risk disrupting the actual process itself.)

### **Q. Are the Membership Benefits and Levels set in stone?**

A. Of course not! We are literally making this up as we go along currently! We would love to get your feedback on the Levels, the Benefits, and indeed the very idea of using Patreon in the first place! Please hit us up on IG (@thisweekincraft.beer) or via email [rob@thisweekincraft.beer](mailto:rob@thisweekincraft.beer). We confidently expect to need to adjust the Patreon model as we go along, based on feedback.

### **Q. Is this like a Gym membership, where I sign up in January, and then regret it for the rest of the year?!**

A. Definitely Not! Membership is month-to-month and you can cancel your membership at any time. Only caveat here is that certain Member Benefits (mainly those ones that involve a significant cost for us to provide to you) are only unlocked after three or six months at a certain tier.
