Festival Review

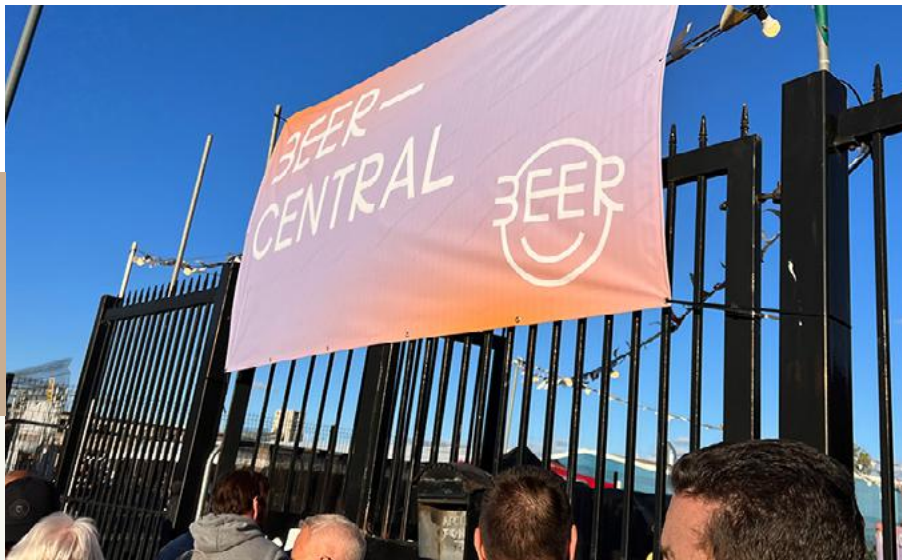

ROB C
CO FOUNDER TWICB

Beer Central, Birmingham

Tea Works, Digbeth, Birmingham

As the UK 2022 Summer Festival Season races towards a grand crescendo, the TWICB Team was out in force at Beer Central in Birmingham this weekend.

The fifth and final instalment of the 'We Are Beer' UK Tour took place at the Digbeth Tea Works site for the second year running. We were delighted to see that the site had been somewhat reconfigured for this year, so that the Brewery Bars were distributed across both halves of the venue, which prompted the crowd to spread out more evenly than they did last year.

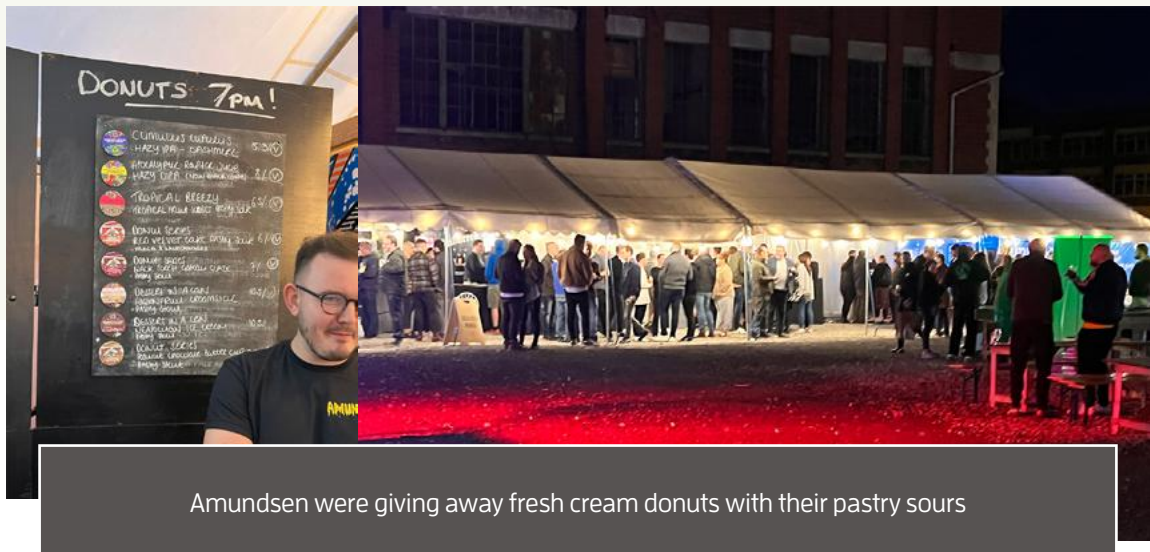

The Tea Works site is almost in the shadow of Birmingham New St Station, so public transport links could hardly be more convenient, and the gritty derelict factory backdrop will make for some atmospheric Instagram posts all weekend.

Festival Review

There were beers pouring from 37 Breweries this year, and, as has been the case for all the 'We Are Beer' Events this year, it was hard to look beyond Norwegian Pastry Stout Kings Amundsen for the stars of the show - who again were accompanying generous pours of their stouts with free luxury cream doughnuts!

Another honourable mention must go to Turning Point, who were pouring their incredible Emperor's collab Imperial Stout. Definitely not the sort of beer that you expect to find at an all-inclusive event!

As always we had a fantastic time chatting with old friends and new, while we worked our way through the beer lists.

Next up for us is IndyMan in two weeks time, where we have wisely invested in season tickets! Please come and say hello if you spot us wandering around.

The Podcast with Balance Brewing & Blending

You can listen to the Podcast by downloading through the normal channels, including Apple and Spotify from 4am Monday.

EPISODE 126 - BALANCE BREWING & BLENDING

We are delighted to welcome to The Podcast, Will & James from Balance Brewing & Blending based in Manchester.

Balance was set up in 2021 by James Horrocks and Will Harris and is the only brewery in Manchester dedicated entirely to the production of barrel fermented, mixed culture beers. James and Will met while working together at Chorlton Brewing Co. Now at Track (in the case of Will) and Squawk (James) and with over a collective decade of brewing experience, they decided it was time to set up Balance as a fabulous side-project!
