PHANTOM BREWING

Thanks Manchester

Rob and Steve from TWICB were in Manchester last week from Thursday to Sunday and had an incredible time. The main focus was the renowned Indy Man Beer Con, set in the historic Victoria Baths and just a short journey from Central Manchester.

The festival was a great success despite the lousy weather and many new friends were made and old ones re-established. Whilst in the area we also took the opportunity to visit many taprooms in the vicinity and recorded podcasts with Stef from Track Brewing and Paul Jones from Cloudwater Brew Co. Look out for these two great podcasts coming out very soon.

We will most certainly be back at IndyMan next year!

CROP

Tiny Tim

Crop Beer Co.

3.6% Super Session Pale

Hopped with Casmere & Citra from Yakima Chief which brings out pineapple and subtle pear, backed up by classic citrus vibes. You can knock back a few on a week night and not feel bad next day.

Great Armoured One

Wander Beyond Brewing

10.6% Fruited Sour

Aged for 18 months in wet Bordeaux red wine barrels, Great Armoured One is a blend showcasing seven barrels from different producers. Great Armoured one is the perfect interplay between tart raspberries, earthy oak and ripe vinous fruits.

Wand

Abyss Brewing

7.5% DIPA

This light, intensely hazy, citrus Aussie hopped DIPA enjoys a sprinkling of their three native hops. Ella - spicy floral character like star anise with tropical and grapefruit flavour. Vic Secret - clean pineapple and pine. Galaxy - descended from Perle, citrus, peach and passionfruit aroma.

Pool Parti

Siren Craft Brew

6% Parti-Gyle Dark Ale

Parti-Gyle is an English term for a very old technique used to make more than one beer from runnings of a single mash. The concept was to use the second runnings of 'Origin Story' to make a Dark Ale, hoping to retain some of the rich, decadent character loved about the original, but in a lower abv beer with nice drinkability.

Citra Vista

Polly's Brew Co.

5.5% DDH Pale Ale

A new hop freshly released from the USDA Hop Breeding programme - Vista. Notes of fleshy pear, ripe honeydew and melange of sweet tropical flavours. Paired with this incredible varietal is a classic C hop - step forward the very lifeblood of the brewery, Citra. A full on explosion of that high juice with a whisper of bitterness at the back, hola Vista!

Everything Changing

Overtone Brewing Co.

8% DIPA

The hop revolution blend combines Nelson Sauvin, Motueka, Pacific Sunrise and Riwaka hops. Overtone stuck to this blend only as they really wanted to get the most out of this blend. Thick, juicy, fruit and delightful.

Strat In Silence

Overtone Brewing Co.

5% New England Pale

Silence is Overtone's pale ale series where they centralise the profile of a specific hop, in this beer they focus on the flavours of Strata hops. Huge mango, passionfruit and strawberry flavours with bursts of dank herbal notes. Hops: Strata, Columbus.

As the name suggest, this DDH IPA offers a slightly lighter take on 'The Light Grey One'. Still intensely flavoured, it combines a punchy dank aroma with smooth tropical fruit.

Idaho 7, Mosaic & Waimea Foudre Beer

Cloudwater Brew Co.

7.8% Brettet Foudre Beer

Dry hopped with 24g/L of Idaho 7, Mosaic and Waimea prior to bottling. Created using the solera to bring added depth and complexity to their foudre beer series, while retaining fresh vibrancy from the addition of young beer.

Deya Brewing Co.

5.5% American Brown Ale

Collab with Favourite Beers, Cheltenham. Many specialty malts give layers of biscuit, toast and caramel sweetness. UK hops in the whirlpool for pithy orange and berry character. Little twist on the dry hop with Idaho 7 and Simcoe for ripe, tropical fruit and light pine notes.

UK Craft Beer Releases...

We Are Sorry To Announce

Deya Brewing Co.

4.5% New England Pale

This pale ale is brewed with some wheat for a light body. Mosaic leads the charge on the dry hop with back up from Idaho-7 and Vic Secret and utilising a little bit of Sabro late boil. Pineapple, black grape, slight coconut and a firm bitterness.

Bier Bitte

Campervan Brewery

5% Festbier

Collab with Simple Things Fermentations. Festbier is in essence a more robust Helles but without quite the rich maltiness of a Märzen. A fantastically drinkable modern style of German beer since Paulaner introduced it to the Oktoberfest long-tables in the 70s.

Festival Review

ROB C
CO FOUNDER TWICB

Indy Man Beer Con

Victoria Baths Hathersage Road, Chorlton-on-Medlock Manchester M13 0FE

Ever since we launched TWICB in February 2020, there have been certain Events and Experiences that are regularly talked about in hushed-tones by the UK Craft Beer Community, which we have yet to experience. Very high amongst these was IMBC, or the Independent Manchester Beer Con in full.

The pandemic put paid to the 2020 or 2021 editions of this esteemed event, so when IMBC finally returned for its tenth this month, we knew we needed to experience it in all its glory.

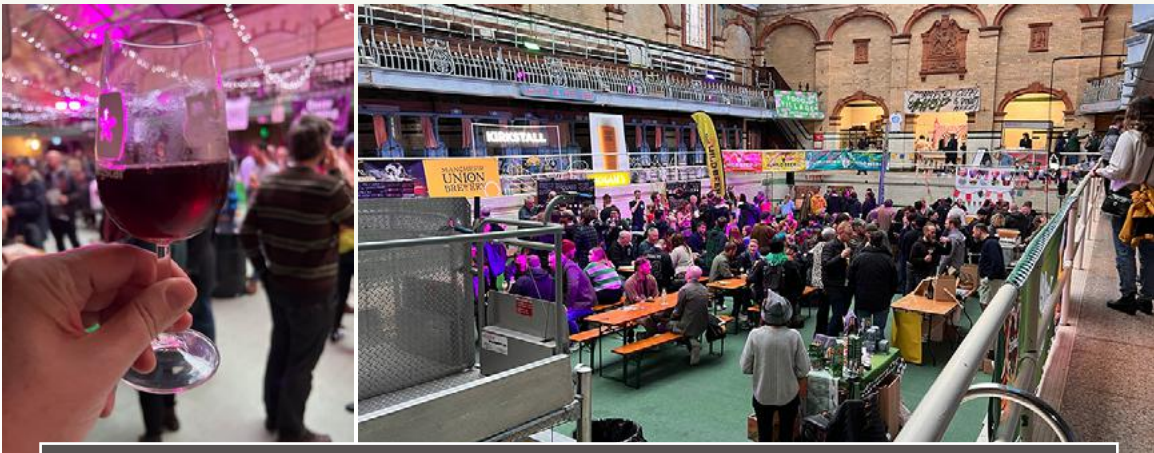

Steve and I secured "full-fat" season tickets, knowing that there would be a whole slew of fringe events running in Manchester over the weekend that would also demand our attention. (More of this will be described in Taproom reviews in future weeks!)

Festival Review

Part of the legend of IMBC is the Festival's superb location. From day one it has been hosted at the Victorian architectural gem that is the Victoria Baths, a Grade II listed swimming baths built in 1906 in the Chorlton-on-Medlock area of Manchester. The venue actually contains three parallel 25-yard swimming pools, each surrounded by quaint changing cubicles, interconnected by a warren of small rooms, with an open yard at the back.

Each pool and room contained a mix of brewery stands, and the overall effect is of wandering through a historical maze, with wondrous beer to be discovered around every corner! There was also a great range of street food at various points around the venue.

3 Grade II listed swimming pools surrounded by changing cubicals

The reputation of the Festival is such that an invitation to pour is highly valued, so it has been fun for us over the summer, as many of our industry friends have told us "we've been asked to pour at IMBC, but we can't announce it yet!" The Brewery line-up really is a virtual Who's-Who of UK Craft Brewing, with a couple of interesting overseas guests, notably Sierra Nevada, who literally shipped-over several variants of their much celebrated Pale Ale on cask!

Suffice to say that we made up for missing the previous nine editions of this superb event, and we will do our very best to be ever-present moving forwards!
