NOVEMBER 21st 2022

Christmas is Coming

In five weeks time it will be Boxing Day and we will all likely be nursing our Christmas hangovers.

Many craft breweries have already started releasing their seasonal beers and Imperial Stouts. Beers containing cranberries, mince pies and Christmas pudding are all on the menu together with a plethora of barrel aged stouts, smoked porters and barley wines, all to be put away for the festive season.

If you haven't already done so, now is a great time to order direct from the brewery and show your support. Cheers.

UK Craft Beer Releases...

Rancho

Dig Brew Co.

7.5% DIPA

Collab with Play Brew Co. Chinook and Mosaic teaming up with Hop Revolutions 2022 Hop Blend. Big but not too crazy and not too expensive - dialled this in to 7.5% (a recession DIPA) - to aid the drinkability while giving enough booze and body to warrant a metric tuck fonne of hops.

Great Balls Of Fire

Carnival Brewing Co.

5.3% Whiskey Sour

Mosaic: In Depth

Left Handed Giant Brewing

Ginger Nut

Polly's Brew Co.

6.2% Chocolate Stout

A chocolate stout first and foremost, this beer is all about the grist bill – they've brought Simpsons DRC, along with Pale Chocolate malt to the party on this beer to impart all manner of chocolate, caramel and just a whisper of plums and raisins. Elevating this beer to the next level is a gentle addition of ginger to give a slight spicy edge to this warming winter stout.

DEYA
BREWING COMPANY

My Window Observations

DEYA Brewing Co.

6% IPA

A single malt single hop Citra IPA. Lime, lemon, lychee, mango. For more depth Deya used different forms of Citra hops, T90 pellets and BBC pellets, both with their own flavour nuance added in the kettle, whirlpool and dry hop to ramp up the tropical fruit and sweet lemon character.

West Coast Is Dead

Cloudwater Brew Co.

7.2% West Coast IPA

Collab with Green Cheek. This beer lets the Simcoe and Citra sing loudly while the malt flavour is relatively reserved. Brewed without crystal malt, the IPA is clear without a heavy malt profile. With this IPA, you're getting a clean and bright beer with a rewarding hoppy bitterness, underpinned by the fruitiness of the Citra and the rich pine of the Simcoe.

Alpine Eagle

Brew York

4.1% Light Lager

Inspired by the freezing heights and frosty surroundings of The Alps, Alpine Eagle is an American Lager best served ice cold. This lager uses Hallertauer Mittelfrueh hops to create a spicy-herbal, complex aroma with a clean, light and crisp finish.

EPISODE 135 - DEYA BREWING CO.

We are delighted to welcome to the podcast, Gareth from DEYA Brewing Co based in Cheltenham.

DEYA was founded by Theo Freyn in 2015 following the completion of his Masters in Brewing at Heriot Watt. Having become obsessed with American beer and beer culture, Theo began perfecting the recipe for Steady Rolling Man, initially as a homebrewer, before taking on DEYA's first commercial unit in Cheltenham.

Gareth Moore joined DEYA as Head Brewer in 2016, and DEYA were then on a fast-track to the position they hold today as one of the most celebrated Craft Brewers in Europe.
