DECEMBER 19th 2022

Merry Christmas

We are taking a couple of weeks off over the festive period and will be back with Issue 147 on Monday 2nd January. This is likely to be a stripped-down version as there are usually not too many new beer releases over Christmas.

May we take this opportunity to thank you for reading our Newsletter and we hope to see some of you during an exciting year of Festivals in 2023!

Cheers!

**OVERTONE
BREWING CO**

Havana Moon

Overtone Brewing Co.

11.5% Imperial Stout

**OVERTONE
BREWING CO**

Thousand Finger Mango

Overtone Brewing Co.

8.0% Mango Ice Cream Smoothie Sour

A strong base was given a quick kettle sour before adding in 250g/litre of fresh mango and swirled in some vanilla ice cream. Extra thick, creamy, tangy and sweet like a Solero ice cream. Hopped with Citra.

MCI Salted Caramel

Cloudwater Brew Co.

11% Imperial Stout

This edition includes a luxurious salted caramel finish to the double-chocolate, double-vanilla base. The deep, bitter cacao adds a satisfying richness to the beer while the sweetness of the caramel balances nicely thanks to a touch of salt. This light salinity also works to enhance the spectrum of flavours and makes everything sing.

MCI Chocolate Orange

Cloudwater Brew Co.

11% Imperial Stout

Chocolate and orange is a classic flavour combination, but rather than the ubiquitous confectionary orb, think a luxuriant dark chocolate mousse or silky torte infused with fresh, fragrant zesty citrus flavours. A healthy addition of orange zest is the perfect partner for their double cacao, double vanilla My Continuous Improvement Imperial Stout base.

Proper DIPA: Idaho 7

Cloudwater Brew Co.

8% Single Hop DIPA

Single hopped Idaho 7 DIPA with a North-West yeast. The use of Idaho 7 this time leaves a velvety, light mouthfeel, bursting with papaya, melon and slightly bitter orange.

Yonder

5oz Bird, 10lb Coconut

Yonder Brewing & Blending

Taproom Review

STEVE P
CO FOUNDER TWICB

Moonwake Beer Co. Taproom

6A Tower St, Leith, Edinburgh EH6 7BY

The Moonwake Beer Co. brewery and taproom is located on an industrial unit in Leith, North Edinburgh, just a minute away from Leith Shore.

Through the entrance and up some steps you find yourself in a very pleasant taproom that overlooks the main brewery. Despite the bitter cold outside the taproom was warm and comfortable and the wonderful smell of roasted malt filled the air.

The taproom is decked out in bright and striking colours which brightened the mood and created a wonderful venue to consume some top quality craft beers fresh from the source.

Taproom Review

In addition to the main taproom area overlooking the brewing equipment there is a separate cosy back bar with many additional tables and extra seating.

The bar has 12 craft keg taps all serving Moonwake's own range of fresh beers. These included a couple of lagers, pale ales, IPAs, Weissebier, a porter and a milk stout. From time to time we understand they also have guest beers from local Scottish breweries. They also offer a selection of sustainable wines, local spirits and soft drinks, and bar snacks from small independent businesses with gluten-free and vegan choices available.

The taproom enjoys a fine view of the working brewery

The Moonwake Beer Co. taproom is open from 3pm till 10pm Thursday and Friday, from noon until 11pm on Saturday and from noon until 8pm on Sunday.

The taproom and yard are dog-friendly and fully wheelchair accessible.
