Trying To Be Positive

We're all for a positive attitude to life here at TWICB and our beer glass is nearly always half full, but these days it's becoming increasingly difficult to hold on to this view.

Breweries and pubs are struggling and the ongoing economic climate is hardly encouraging, but we hold on to the hope that there will be light at the end of the tunnel very soon.

Please support the industry in any way you can by buying beer, whether at the pub, taproom or online.

Cheers!

EPISODE 142 - TWISTED WHEEL BREW CO.

We are delighted to welcome to the podcast, Anthony from Twisted Wheel Brewery, based in Chorley.

Two weeks before Christmas 2022, Twisted Wheel Brewery was shuttered by HMRC due to substantial unpaid duty and VAT bills. This came as a huge shock to Anthony, who was as busy as he had ever been, brewing great modern Craft Beers.

Join Rob as he chats to Anthony about this painful experience, and hear how he is in the process of rescuing the Brewery, with the help of the amazing Northwest Craft Beer Community.
