TWICB PODCAST

Rob welcomes back Joe
from Staggeringly Good.

**ISSUE ONE HUNDRED
AND FIFTY SIX**

MARCH 6th 2023

Get Festive

We all love a Craft beer Festival and most of the dates for 2023 have been released with tickets available to purchase now. Wherever you are in the country there's sure to be one near you.

We at TWICB have already pencilled in several dates and are looking forward to mingling with like-minded folk over some great beers in unique surroundings.

Plesae note that our Festival Calendar does NOT include any CAMRA festivals - we're not against cask beer, far from it, but CAMRA have their own large budget for advertising and if we listed all their festivals here, there would be little room for our more humble niche Craft Beer festivals!

Cheers!
