Radio City Beer Works

King

6.5% IPA

One A Penny

5% Hot Cross Bun IPA

Inspired by the Hot Cross Bun. Smooth body - just like a Hazy IPA, but with almost no hops. To top it all off you get a lovely fruity background coming from the cooked raisins.

Two Tribes Brewing

Roxy Club

5% Cold IPA

Loads of Citra, Centennial and Cascade hops were added to the whirlpool for flavours of grapefruit and orange zest. A dry hop with Strata and Simcoe gives the beer extra complexity, with dank pine forest aromas.

Unity Brewing Co.

CRAFT BEER PODCASTS

This Week In Craft Beer - The Podcast

In-depth weekly interviews with some of the UK's leading independent Craft Brewers, exploring their backgrounds, motivations, hopes, fears, and big plans for the future, all whilst sharing and discussing a small selection beers the brewer is particularly proud of.

The Beer Fridge Podcast

The Beer Fridge Podcast is hosted by a group of beer enthusiasts making their way through the incredible craft beer scene. Listen to their likes and dislikes as they pick their beers of the week. Joined by some of the UK's leading breweries and craft beer enthusiasts, the Beer Fridge Podcast brings pub banter and craft beer straight to you.

Daft About Craft

PATREON

Discover the benefits of membership

When we launched This Week in Craft Beer in January 2020, we were blissfully unaware of what lay ahead of us! Considering the obstacles, we have all faced, we are proud of what we managed to accomplish in our first year.

However, we have lots more that we want to do in 2022! In order to fund these activities and to enable our Community to get more involved with the creative process at TWICB, we have launched a Patreon Membership Programme.

Full details of how you can get involved starting at less than the cost of a half-decent can of beer per month, can be found at patreon.com/thisweekincraftbeer.

Don't worry, our weekly Newsletter and Podcast will continue to be FREE FOR EVERYONE! The Patreon Membership offers access to range of brand new TWICB Products and Services. Please check it out and let us know what you think?!

www.thisweekincraft.beer/patreon

Q. Why are you starting to charge for things that we have enjoyed for free all this year?

A. We aren't! The weekly Newsletter and weekly Brewer-interview Podcast will continue to be **free to everyone**. Patreon will enable us to offer brand-new additional products and services to Members.

Q. What's this about Members getting involved with TWICB?

A. We have been amazed and delighted with the amount of engagement and feedback we have received during our first year, via social media, email etc. The UK Craft Beer Community is clearly engaged, knowledgeable and sociable! We want to provide a mechanism for bringing the community into our creative process, allowing people to participate in the planning, research, production and delivery of our products.

Q. Why do you have to charge for things?

A. TWICB is run by just two people: Rob and Steve. Whilst it is undoubtedly a labour of love, it has developed into something that consumes a significant part of our working weeks. Steve works mainly on the Newsletter, where the New Beers Section alone takes many hours per week, to research, collate and format. Rob works mainly on the podcast, where each episode takes several hours to schedule, research, record, edit and promote. Whilst we will continue to invest this time to produce the free products, we think Patreon could be a great way of funding the time and effort that we want to devote to developing new products and services

Q. Apart from your time, what specifically will the Patreon proceeds be used to fund?

A. As soon as the COVID-19 situation permits, we want to take the podcast on the road, to record Brewer interviews at their own Taprooms, as well as record live segments at Festivals, Tap-Takeovers and other beery events of note. In order to provide a quality finished audio product, we will need to invest in some decent mobile recording equipment, not to mention the cost of travelling the length and breadth of Britain in the pursuit of great interviews!

Q. What is the thought process behind the bundles of Patreon Membership bonuses that you are offering?

A. We have tried to come up with bundles that combine some community benefits, exclusive digital products, exclusive physical products, invites to exclusive TWICB events, discounts on TWICB Grand Tours and opportunities to participate in the TWICB creative process. We have tried to price each Membership Level so that each offers outstanding value for money. We have also tried to be mindful of the number of Patreon members that we can realistically include in each bonus activity. (Clearly the invite to participate in the podcast interview or attend the TWICB "Board Meeting" needs to be strictly limited in numbers, or else the bonus would cease to be "exclusive" and would risk disrupting the actual process itself.)

Q. Are the Membership Benefits and Levels set in stone?

A. Of course not! We are literally making this up as we go along currently! We would love to get your feedback on the Levels, the Benefits, and indeed the very idea of using Patreon in the first place! Please hit us up on IG (@thisweekincraft.beer) or via email rob@thisweekincraft.beer. We confidently expect to need to adjust the Patreon model as we go along, based on feedback.

Q. Is this like a Gym membership, where I sign up in January, and then regret it for the rest of the year?!

A. Definitely Not! Membership is month-to-month and you can cancel your membership at any time. Only caveat here is that certain Member Benefits (mainly those ones that involve a significant cost for us to provide to you) are only unlocked after three or six months at a certain tier.
