**ISSUE 110 - 11 APRIL 2022**

Plenty of UK breweries have been showing their support for the people of Ukraine in the past few weeks, by brewing beers in collaboration with Varvar Brewery and Pravda (from Kyiv and Lviv respectively), or by rebrewing past collabs with them. Both breweries are, very sadly and unsurprisingly, out of action for the foreseeable future.

In addition, many craft breweries are donating profits from their beers launched recently to humanitarian charities and Ukrainian support efforts. More power to them all.

# BREWERS CORNER

Let's start this week with some good news. The Morning Advertiser reports that drinkers who changed from beer to wine and spirits during COVID are "flooding back" with beer sales now at 98% of pre-pandemic levels, according to accountants UHY Hacker Young.

<https://www.morningadvertiser.co.uk/Article/2022/04/04/Beer-sees-on-trade-resurgence-as-pubs-reopen>

The wonderful Boak and Bailey have just returned from a week in Brussels, and they have a great article about Orval and its close cousins to be found in Belgium.

<https://boakandbailey.com/2022/04/orval-who-is-your-very-best-friend/>

Here at TWICB we can't wait to get back to Brussels this summer, as part of our Grand Tours programme.

More good news, this time from the USA, where the Brewers Association have reported that Craft Beer represented 13.1% of overall beer sales in 2021, up from 12.2% in 2020.

<https://www.thedrinksbusiness.com/2022/04/us-craft-beer-scene-grows-as-new-figures-and-top-50-breweries-revealed/>

Craft Breweries now number 9,118 in the USA, thanks to 646 openings in 2021 with 178 closings, although openings did decrease for the second consecutive year, as the market continues to mature.

Finally, the Brewers Journal reported that Lallemands have launched a cool smartphone app for brewers called LalBrew.

<https://www.brewersjournal.info/lallemand-launches-latest-smartphone-application-to-support-brewers/>

It will provide brewers with helpful tools including a specialised pitching rate and titratable acidity calculators.

Juicy IPAs, decadent imperial stouts and mouth puckering sours. They are focused on producing beer without compromise. Beers which are both punchy and full of flavour.

# TAPROOM REVIEW

Beak Brewery & Taproom, Unit 14 Cliffe Industrial Estate, Lewes BN8 6JL

In the last twelve months there are few Craft Breweries in the UK who have generated more excitement around their IPAs than Beak.

Based just outside Lewes town centre, Beak are just a short, ten minute walk alongside the A26. Since they fully opened their Taproom in 2021 we've been trying to find the opportunity to get down to Sussex for a visit, and we finally made it on a sunny Saturday in early April.

Beak are located in a modern industrial unit, towards the end of a cul de sac, with a highly impressive chalk cliff as a backdrop.

On approaching, you can't fail to be impressed with their outdoor seating, which offers covered and heated facilities for at least 75 customers, along with a regular popup food offering.

Inside the building there is further seating for an additional 50 people, surrounded by tanks and barrels.

Service is delivered from a central bar, offering 12 keg lines, of which 10 were IPAs or DIPAs, and which went down very well with us!

We arrived in the middle of a launch event for their new Spin IPA, brewed in collaboration with a local cycling club, so the cyclists were out in force, getting stuck in to the superb fresh IPAs on offer.

In summary, the combination of two very different, but equally attractive Taproom experiences at Abyss\* and Beak in Central Lewes, make this delightful corner of East Sussex a must visit for all UK Craft Beer Fans.

\* review coming soon.

# BRAVE NOISE

## MERAKAI BREWING CO. JOINS FORCES WITH BRAVE NOISE TO FIGHT FOR A DISCRIMINATION AND HARASSMENT-FREE INDUSTRY

After issuing their [code of conduct](#) earlier this year as a call to arms to the wider UK brewing industry, in efforts to create a safer industry and community, Merakai Brewing CO. committed to brewing a Brave Noise Beer with notable female figures in the craft beer industry.

**Brave Noise** is the result of the revelations uncovered by US brewer, Brienne Allen (@ratmagnet), who shared thousands of stories of harassment, abuse and discrimination within the Craft Beer Industry.

[Olly Parsons](#), co-founder of the Sussex-based brewery said: “As a man, a brewery owner and a brewer I felt it was my responsibility to do what I could to raise awareness of these issues and be supportive.”

According to recent figures, in 2020 there were [3,018 registered UK breweries](#) - uptake of **Brave Noise** in the UK has been underwhelming, with only nine UK breweries including Merakai Brewing CO. taking part in **Brave Noise** collaborations.

[Emma O’Neill-Parsons](#), co-founder Merakai Brewing CO. said: “Generating awareness and taking action to create a positive change within the Industry is the goal. We encourage as many UK breweries as possible to take part in the global collaboration.”

[A YouGov survey](#) has found that over three-quarters of UK adults think improved safety procedures in bars, pubs and nightclubs is necessary, following recent publicity around the safety of women and girls.

“I stand with those within our community who have experienced harassment. This cannot continue, and we are going to do everything we can to make workplaces and craft beer venues safe for everyone,” Emma said.

Merakai Brewing CO’s **Brave Noise** launched at various taprooms and craft bottle shops nationwide on 18 March 2022. Proceeds will go to support the Wellness Officer initiative, established by [The Coven](#).

# PATREON

Discover the benefits of membership

When we launched This Week in Craft Beer in January 2020, we were blissfully unaware of what lay ahead of us! Considering the obstacles, we have all faced, we are proud of what we managed to accomplish in our first year.

However, we have lots more that we want to do in 2022! In order to fund these activities and to enable our Community to get more involved with the creative process at TWICB, we have launched a Patreon Membership Programme.

Full details of how you can get involved starting at less than the cost of a half-decent can of beer per month, can be found at [patreon.com/thisweekincraftbeer](https://patreon.com/thisweekincraftbeer).

Don't worry, our weekly Newsletter and Podcast will continue to be FREE FOR EVERYONE! The Patreon Membership offers access to range of brand new TWICB Products and Services. Please check it out and let us know what you think?!

[www.thisweekincraft.beer/patreon](https://www.thisweekincraft.beer/patreon)

**Q. Why are you starting to charge for things that we have enjoyed for free all this year?**

A. We aren't! The weekly Newsletter and weekly Brewer-interview Podcast will continue to be **free to everyone**. Patreon will enable us to offer brand-new additional products and services to Members.

**Q. What's this about Members getting involved with TWICB?**

A. We have been amazed and delighted with the amount of engagement and feedback we have received during our first year, via social media, email etc. The UK Craft Beer Community is clearly engaged, knowledgeable and sociable! We want to provide a mechanism for bringing the community into our creative process, allowing people to participate in the planning, research, production and delivery of our products.

**Q. Why do you have to charge for things?**

A. TWICB is run by just two people: Rob and Steve. Whilst it is undoubtedly a labour of love, it has developed into something that consumes a significant part of our working weeks. Steve works mainly on the Newsletter, where the New Beers Section alone takes many hours per week, to research, collate and format. Rob works mainly on the podcast, where each episode takes several hours to schedule, research, record, edit and promote. Whilst we will continue to invest this time to produce the free products, we think Patreon could be a great way of funding the time and effort that we want to devote to developing new products and services.

**Q. Apart from your time, what specifically will the Patreon proceeds be used to fund?**

A. As soon as the COVID-19 situation permits, we want to take the podcast on the road, to record Brewer interviews at their own Taprooms, as well as record live segments at Festivals, Tap-Takeovers and other beery events of note. In order to provide a quality finished audio product, we will need to invest in some decent mobile recording equipment, not to mention the cost of travelling the length and breadth of Britain in the pursuit of great interviews!

**Q. What is the thought process behind the bundles of Patreon Membership bonuses that you are offering?**

A. We have tried to come up with bundles that combine some community benefits, exclusive digital products, exclusive physical products, invites to exclusive TWICB events, discounts on TWICB Grand Tours and opportunities to participate in the TWICB creative process. We have tried to price each Membership Level so that each offers outstanding value for money. We have also tried to be mindful of the number of Patreon members that we can realistically include in each bonus activity. (Clearly the invite to participate in the podcast interview or attend the TWICB "Board Meeting" needs to be strictly limited in numbers, or else the bonus would cease to be "exclusive" and would risk disrupting the actual process itself.)

**Q. Are the Membership Benefits and Levels set in stone?**

A. Of course not! We are literally making this up as we go along currently! We would love to get your feedback on the Levels, the Benefits, and indeed the very idea of using Patreon in the first place! Please hit us up on IG (@thisweekincraft.beer) or via email [rob@thisweekincraft.beer](mailto:rob@thisweekincraft.beer). We confidently expect to need to adjust the Patreon model as we go along, based on feedback.

**Q. Is this like a Gym membership, where I sign up in January, and then regret it for the rest of the year?!**

A. Definitely Not! Membership is month-to-month and you can cancel your membership at any time. Only caveat here is that certain Member Benefits (mainly those ones that involve a significant cost for us to provide to you) are only unlocked after three or six months at a certain tier.
