# UK CRAFT BEER RELEASES

18<sup>th</sup> – 24<sup>th</sup> APRIL 2022

## Bayonet Brewing

### Millionaires Weekend

#### 6.5% DIPA

A combination of three of their favourite hops in Galaxy, Citra and Sabro to bring you a punchy and hazy IPA that's loaded with notes of citrus, peach and tropical fruit.

## Buxton Brewery

### Long Weekend

#### 8% DIPA

Sabro, Amarillo and Mosaic hops come together in this relaxed DIPA - expect notes of orange and tangerine citrus with tropical fruit layered on top, and a splash of berry.

## Buxton Brewery

### Fredkin's Cold IPA

#### 6.3% Cold IPA

Fredkin's Cold IPA combines all the best bits of an IPA and a lager. Citrus notes of lemon and lime on the nose and palate are enhanced through the use of lager yeast to produce a beer that is crisp and clean. Definitely one to imbibe in the sunshine with friends.

## Small Batch Brewing

### Caribbean Breeze

#### 5% Pale Ale

A sessionable pale ale. Initial hit of pineapple then a subtle coconut finish. Perfect for a summer's day.

## Boxcar Brewery

### Raspbluerry

#### 5% Fruited Sour

Raspberry and blueberry fruits suspended on a smooth and oat-forward, sour base.

## Abyss Brewing

### Feel Flows

#### 6.4% IPA

A delicate, wondrous composition of flavours on a parallel with the monumentally deep song by the Beach Boys. New Zealand hops Motueka and Nelson Sauvignon give flavours of guava, manuka honey and rosemary.

## Left Handed Giant

### Maibock

#### 6.2% Maibock Lager

Collab with Newbarns Brewery. This Maibock is liberally hopped with Spalter Select, Solero, and Styrian Dragon for balanced notes of sweet tangerine segments and a bright herbal bouquet, over a clean and delicate German malt base.

**Left Handed Giant**  
**Mosaic & Centennial**  
**5% Gluten Free Pale Ale**

Mosaic and Centennial work harmoniously to deliver notes of sticky pine, lemon, blood orange and a dank tropical fruit character in this gluten free pale ale. A brisk and bright finish will keep you coming in for the next sip.

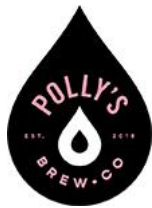

**Polly's Brew Co.**  
**Second Veneer**  
**5.5% DDH Pale Ale**

Second Veneer has a high-juice, low bitterness dry-hop bill of Citra, Bru-1, Azacca, and Mosaic - all great varieties in their own right, but when combined rock up to the party with a whole host of mega ripe mango, pineapple and peach notes, with a mellow bitterness in the back to keep everything in check.

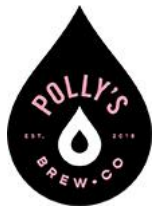

**Polly's Brew Co.**  
**Trying To Connect**  
**6.2% Mountain IPA**

The melding of both West and East Coast styles into one supercharged beer somewhere in the middle. With whirlpool additions of Ekuanot and Columbus, and dry-hop additions of Polly's favourites Citra and Simcoe, as well as a whisper of more Ekuanot and Columbus, this beer has all the juicy notes of a classic Polly's beer, but with a clean and crisp finish to boot.

**Polly's Brew Co.**  
**Welcome Rain**  
**5.2% Pale Ale**

Only the freshest crops of Azacca and Sabro in Welcome Rain. Sabro just lends itself to a beer with this kind of flavour profile - creamy coconut, lime, and tangerine play off perfectly against the mango, orange and pineapple vibes of in-house favourite Azacca.

**Polly's Brew Co.**  
**Cashmere**  
**6% IPA**

Deploying 50kg of Cashmere hops into this beer to get a whole host of coconut, peach and tangerine on the aroma, with some added lemongrass, melon and an edge of grapefruit just to finish things off. Welcome to the party, Cashmere.

**Polly's Brew Co.**  
**Folsom Stud**  
**4.5% Fruited Sour**

Collab with Queer Brewing. Utilising blackcurrant as a reference this beer was given an extra twist with lemon to give a bit of tart citrus zip to offset the sweet blackcurrant, all rounded off with Halen Mon Sea Salt to bring everything together perfectly.

**Holy Goat Brewing**  
**Crimson Void**  
**7.5% Flanders Red**

A blended sour red ale combining 80% provision strength 'young' stock beer aged in steel, with around 20% 'mature' stock beer aged in oak barrels. The combination of old and young beers has produced a complex sweet and sour flavour profile with a subtle oak character. Refermented this with 200g/l Scottish blackcurrants, sourced from local farms.

### Fallen Acorn Brewing Co.

#### Resist

#### 11% Ukrainian Anti-Imperial Stout

Joining Drinkers for Ukraine in brewing the Solidarity Brew 'Resist' a Ukrainian Anti-Imperial Stout, brewed with Beetroot, Lemon, Blueberries, and Vanilla. All profits from this beer will be donated to the Red Cross humanitarian relief effort.

### Glasshouse Beer Co.

#### Annapurna

#### 5.2% Pale Ale

A new pale hopped with Citra, Mosaic and Azacca. A juicy, soft banger. Notes of berries, peach pulp, pineapple and white grape with a smidge of fleshy melon.

### Unity Brewing Co.

#### Viewfinder

#### 4.8% Raspberry, Basil & Spelt Sour

Viewfinder is a Raspberry, Basil and Spelt Sour. Think fruit coulis, meets Pimms with a dash of honey and you're there.

### Twisted Wheel Brew Co.

#### Coaster

#### 5% Kolsch

A take on the German style Kolsch. It's easy drinking, with light fruity notes in the aroma and taste with a pleasant hoppy bitterness from the German hops Saaz and Tettang.

### Northern Monk

#### 3 Peaks Mountain Race IPA

#### 3.7% Session IPA

Three Hops: Amarillo, El Dorado, and Citra, for big citrusy ascents over a velvety base. Brewed to celebrate The Yorkshire Three peaks race takes in Ingleborough, Wharfedale and Pen-Y-Ghent a total of 1,608 metres of ascent across 37.4 kilometres.

# BREWERS CORNER

There's lots of economic data and analysis flying around these days, containing both good and bad news. The Morning Advertiser reports data from Barclaycard showing consumer spending was up 74% over Easter Weekend, compared to 2019.

<https://www.morningadvertiser.co.uk/Article/2022/04/21/how-much-was-spent-in-pubs-across-the-easter-weekend-2022>

Of course, this is likely to be due more to the move away from cash, as much as a due to an increase in consumption.

The Morning Advertiser also reports from the Coffey CGA Business Tracker which reported that sales in Bars and Restaurants grew significantly more strongly than sales in Pubs in March 2022, again compared to March 2019.

<https://www.morningadvertiser.co.uk/Article/2022/04/22/sales-in-pubs-compared-to-bars-and-restaurants-march-2022>

At Beervana, Jeff writes very thoughtfully about the challenge to Brewers of trying to constantly release the next new beer, without ever getting time to dial-in and refine their previous releases.

<https://www.beervanablog.com/beervana/2022/4/19/the-novelty-trap>

Finally, how about a great little video tutorial from industry legend and Russian River cofounder Vinnue Cilurzo, about how to reduce the curse of hop-creep.

# TAPROOM REVIEW

ABYSS Brewery + Tap, Unit 3, The Malthouse, Daveys Lane, Lewes BN7 2BF

Since Abyss Brewing opened their Taproom in Lewis in 2021, a TWICB visit had been high on our priority list. We finally managed to get there on the first weekend of April, and we're very glad we did.

The Taproom and Brewery is the third location in Abyss' fairly young life. This latest spot, in a former maltings building, is trendy and atmospheric and just a couple of hundred yards from the bottom of Lewes high street.

We arrived about 30 minutes after they had opened at noon, and already the courtyard area was packed with attendees at a flea market which included several enticing food options. Meanwhile the Taproom itself was also boasting a healthy crowd, with only a few of the 50-odd seats available. It's always nice to see a really vibrant crowd in a Taproom. (On a regular afternoon, without the flea market, tables in the courtyard would provide seating for at least another 75 people).

The attractive bar, at one end of the Taproom, is equipped with two cask and twelve keg lines, pouring a varied selection of beer styles. Having said this, true to form, we were most impressed with Dreamz and Superfuzz, which are both terrific NEIPAS, with great depth of flavour.

If draft beers don't suit you, there are several well-stocked fridges, which offer a range of Abyss and guest beers, including several continental European offerings.

In conclusion, we were extremely impressed with both the atmosphere and the offerings at the Abyss Taproom, and we left regretting that Lewes is quite so hard to get to from the TWICB co-headquarters of Reading and Colchester.

# PATREON

Discover the benefits of membership

When we launched This Week in Craft Beer in January 2020, we were blissfully unaware of what lay ahead of us! Considering the obstacles, we have all faced, we are proud of what we managed to accomplish in our first year.

However, we have lots more that we want to do in 2022! In order to fund these activities and to enable our Community to get more involved with the creative process at TWICB, we have launched a Patreon Membership Programme.

Full details of how you can get involved starting at less than the cost of a half-decent can of beer per month, can be found at [patreon.com/thisweekincraftbeer](https://patreon.com/thisweekincraftbeer).

Don't worry, our weekly Newsletter and Podcast will continue to be FREE FOR EVERYONE! The Patreon Membership offers access to range of brand new TWICB Products and Services. Please check it out and let us know what you think?!

[www.thisweekincraft.beer/patreon](https://www.thisweekincraft.beer/patreon)

## **Q. Why are you starting to charge for things that we have enjoyed for free all this year?**

A. We aren't! The weekly Newsletter and weekly Brewer-interview Podcast will continue to be **free to everyone**. Patreon will enable us to offer brand-new additional products and services to Members.

## **Q. What's this about Members getting involved with TWICB?**

A. We have been amazed and delighted with the amount of engagement and feedback we have received during our first year, via social media, email etc. The UK Craft Beer Community is clearly engaged, knowledgeable and sociable! We want to provide a mechanism for bringing the community into our creative process, allowing people to participate in the planning, research, production and delivery of our products.

## **Q. Why do you have to charge for things?**

A. TWICB is run by just two people: Rob and Steve. Whilst it is undoubtedly a labour of love, it has developed into something that consumes a significant part of our working weeks. Steve works mainly on the Newsletter, where the New Beers Section alone takes many hours per week, to research, collate and format. Rob works mainly on the podcast, where each episode takes several hours to schedule, research, record, edit and promote. Whilst we will continue to invest this time to produce the free products, we think Patreon could be a great way of funding the time and effort that we want to devote to developing new products and services.

## **Q. Apart from your time, what specifically will the Patreon proceeds be used to fund?**

A. As soon as the COVID-19 situation permits, we want to take the podcast on the road, to record Brewer interviews at their own Taprooms, as well as record live segments at Festivals, Tap-Takeovers and other beery events of note. In order to provide a quality finished audio product, we will need to invest in some decent mobile recording equipment, not to mention the cost of travelling the length and breadth of Britain in the pursuit of great interviews!

## **Q. What is the thought process behind the bundles of Patreon Membership bonuses that you are offering?**

A. We have tried to come up with bundles that combine some community benefits, exclusive digital products, exclusive physical products, invites to exclusive TWICB events, discounts on TWICB Grand Tours and opportunities to participate in the TWICB creative process. We have tried to price each Membership Level so that each offers outstanding value for money. We have also tried to be mindful of the number of Patreon members that we can realistically include in each bonus activity. (Clearly the invite to participate in the podcast interview or attend the TWICB "Board Meeting" needs to be strictly limited in numbers, or else the bonus would cease to be "exclusive" and would risk disrupting the actual process itself.)

## **Q. Are the Membership Benefits and Levels set in stone?**

A. Of course not! We are literally making this up as we go along currently! We would love to get your feedback on the Levels, the Benefits, and indeed the very idea of using Patreon in the first place! Please hit us up on IG (@thisweekincraft.beer) or via email [rob@thisweekincraft.beer](mailto:rob@thisweekincraft.beer). We confidently expect to need to adjust the Patreon model as we go along, based on feedback.

## **Q. Is this like a Gym membership, where I sign up in January, and then regret it for the rest of the year?!**

A. Definitely Not! Membership is month-to-month and you can cancel your membership at any time. Only caveat here is that certain Member Benefits (mainly those ones that involve a significant cost for us to provide to you) are only unlocked after three or six months at a certain tier.
