The Podcast with Radio City Beer Works

You can listen to the Podcast by downloading through the normal channels, including Apple and Spotify from 4am Monday.

EPISODE 134 - RADIO CITY BEER WORKS

We are delighted to welcome to the podcast, Dan from Radio City Beer Works, based in Chelmsford.

Dan has been an Essex Beer enthusiast for many years, and organised the first ever keg bar at CAMRA's Chelmsford Festival in 2017, which sparked the idea for Radio City - Dan's biggest challenge is time. Like many who start out in this industry, the brewery is run in parallel with a full time career. With a focus on quality, they will be producing new beers initially at a slow pace.

In July of this year, Radio City took a huge leap forward, opening Radio City Social, which is the fabulous railway arch Taproom in Central Chelmsford, where this recording took place.
