MAY 8th 2023

Long Live The King

We hope you are enjoying yet another Bank Holiday Monday and perhaps toasted the new King with a craft beer or two on Saturday.

Without getting too political about the rights and wrongs of the monarchy, there is no doubt that us Brits know how to throw a party and organise tremendous pageantry with the world looking on.

It is forecast that an additional 17 million pints will be consumed this Bank Holiday weekend, and we at TWICB are doing our bit for King & Country.

Hic, cheers!

BREWERY CLAIMS SEVEN MEDALS AT 2023 EUROPEAN BEER CHALLENGE

Round Corner Brewing have claimed an impressive seven medals at the 2023 European Beer Challenge in London, with its Steeplechase Pale Ale picking up a double gold in the American Style Pale Ale category.

Held annually in London, the Melton Mowbray brewery entered seven of its beers into the awards, showcasing the wide range of styles and quality they have on offer. And it was testament to the breweries' pursuit of perfection that all seven beers medaled.

The most prestigious medal the brewery claimed was with its already highly awarded Steeplechase Pale Ale. Winning double gold in the American Style Pale Ale category, this now sits alongside its World's Best Ale & Gold medal at the 2021 International Brewing Awards.

Alongside this impressive double gold, another four Round Corner Brewing beers claimed gold medals. With Drovers Hazy Vermont Session IPA, Gunmetal Black Lager, Hopping Spree West Coast IPA and Mainland New Zealand Pilsner all bringing home a notable gold medaleach in their respective categories. However, medals didn't stop there for the brewery with a silver medal awarded to Frisby Lager and a bronze medal going to the brand-new 2023 Market Edition beer Saint Cloud Belgian Style Witbier.

With the European Beer Challenge operated by the largest beverage awards organisation in the world and judged by Europe's leading beer buyers, it offers brands and producers the opportunity to showcase their products to key influencers in the beer market.

For Round Corner Brewing this achievement continues an already strong start to the year, with plenty more exciting moments on the horizon for the brewery.
