Burning Sky Brewers & Blenders

6.5% Kriek

Cuvée Kriek is a blend of three mixed fermentation beers of different ages, from both foudre and barriques. They were honoured to be able to use cherries directly from Friederiksdal in Denmark, the blended beer aged again on those. **Spectral Lore 2023**  
Holy Goat Brewing

5.5% Fruited Sour

Holy Goat re-fermented their base beer on 250g/l of Tayberries and an additional 80g/l of strawberries, both harvested around 12 miles from the brewery. Tayberries are a cross between raspberries and blackberries, named after the River Tay, which runs through their home of Dundee where these berries were first bred.

**Grim Fandango**  
Holy Goat Brewing

6% Wild Ale

Holy Goat fermented their golden sour base beer with a mixed culture of Brettanomyces and resident microflora present on the skins of pineapples. After primary fermentation was complete, it was re-fermented and conditioned with 400l of pressed pineapple juice, molasses sugar and whole Ceylon cinnamon.

**Goat & Ram**  
Holy Goat Brewing

7.4% BA Flanders Red

Collab with Pastore Brewing. This Flanders Red style beer was fermented on Pinot Noir skins from grapes grown in Crouch Vale, Essex.
