What Happened To Summer?

I don't know about you, but here at TWICB Headquarters we are poised with a fridge stocked to the brim with craft beers, a clean barbeque in the garden, carefully swept decking and an open invitation for friends and family to come round and enjoy some wonderful beers - all we need is some sunshine!

Until then it looks like we must endure a typical British summer of wind, showers, downpours, and (if we are lucky), the occasional glimpse of the sun. We, however, certainly won't be letting the poor weather deter us from sampling the latest delicious offerings from the craft beer brewing industry.

Cheers,

The TWICB Team

The Hop Studio - Vic Secret

Polly's Brew Co.

6.5% IPA
