Collab Beer Launch

We hope you've been soaking up the recent sunshine and enjoying a few refreshing cold ones!

Speaking of beer, we're thrilled to announce that our collaboration with Phantom Brewing Co. is finally ready to hit the shelves! Keep an eye out at your favourite bottle shops this week for 'Ultimate Happy Hour'—a 7% Hazy IPA brewed with Citra, Galaxy, and Rakau hops. The name is a nod to Rob's signature podcast question always asked of his guests.

Rob had an early taste last week and gave it a glowing review—he reckons it's fantastic!

Cheers!

Cup of Coffee Costs More Than a Pint of Beer

We couldn't resist this fairly provocative headline, although we are not sure whether the root cause is ridiculously overpriced coffee, or the cheap, crappy macro lagers which most of the World seems happy to tolerate!

Beer of the Week

Kushuns

8% Double IPA

by Beak Brewery

A new ultra-fluffy Double India Pale Ale. Kushuns was brewed with an incredible new hop variety from Yakima Chief called Krush™, previously known by its experimental moniker HBC 586. It's absolutely popping with flavours of mango, guava, lychee and orange juice.

Taproom Review

ROB C

TWICB CO-FOUNDER

Borough Beer House

6 Town Hall Buildings, Farnham GU9 7ND

There are few things more pleasant in life than returning to a town after a period of absence only to discover that what was once a very traditional drinking market town now includes a shiny new Craft Beer Taproom!

Such was my experience this week in the lovely Hampshire market town of Farnham.

I was visiting for a pre-season football match at Farnham Town FC, and, more in hope than expectation, I did my usual due-diligence before setting out, only to discover that Farnham now proudly boasts a shiny new Taproom, which is an Untappd Verified Venue to boot!

Taproom Review

The Borough Beer House opened in Jan 2024, and occupies a lovely historic two-story building in the centre of the old town. The bar is at the rear on the ground floor, with a decent amount of seating, whilst the first floor adds a huge additional seating area covering the whole footprint of the building. There are several really cool tables outside at the front under the cloisters, with three additional outside tables in the lane to the side.

The beer choices are served from 18 keg taps and six cask pulls, with a further four ciders served from bag-in-box. The range was a well-curated selection from leading UK Breweries. In addition there is a large fridge in the bar well-stocked with bottles and cans.

Taproom Review

Although the focus of the venue is very much on beer, the venue offers a tasty array of sandwiches and snack boards to ward off hunger-pangs. The Borough Beer House is a brilliant addition to the southeast Taproom scene, and one that you should go out of your way to visit when you get the chance.

EPISODE 210 - CRAFTING FUTURES

We are delighted to welcome to the Podcast, Greg Dunkling of Crafting Futures, a new program for mid-to-senior brewery staff at the University of New England in the US.

Recognising the dynamic shifts in the brewing and distilling sectors, the collaboration, "Crafting Futures," seeks to address the evolving needs of the craft beverage industry and support the continued growth of these sectors.

It introduces a tailored curriculum designed to equip industry professionals with the skills and knowledge needed to navigate the evolving craft beverage landscape.

Beer Name of the Week

Brewers are always coming up with great names for their latest brews, so we thought it's about time we noticed some of them.

Limp Wrist

4.5% Bright Pale

By Queer Brewing

This is a medium-bitterness, well-rounded pale ale with a balanced palate and great hop character. Hopped with Riwaka and Nugget, it's reminiscent of famed American pale ales, and boasts aromas of white grape, gooseberry, pine, and citrus on a juicy malt base.
